

Access Statement For Dunvegan Guest House

Introduction

We are a family run business and aim to cater for the needs of all visitors in our home based 4 bedroom bed and breakfast accommodation. The following statement is a summary of our provision. If you have any specific questions please feel free to call us and we will endeavor to help.

We currently have a local authority fire certificate.

We are rated by Quality in tourism as a 4 star establishment.

Pre-Arrival

- the main train station is approximately 15 minutes walk from the house.
- There are local taxi services with accessible taxis for the disabled, if required we can book one for you.
- There are frequent bus services from the bottom of the street to all parts of the Lakes.
- We have an interactive website with online booking facilities.
- You can contact us by phone or email.

Arrival & Car Parking Facilities

There is a bell outside the front door to gain initial access

- we have a small car park to the rear of the house with room for all cars. It is secure at night. The car park is well lit during darkness hours.
 - The bays are marked out to assist in parking.
 - The surface is sloping and made up of tar macadam
 - Park your car then walk round to the front door entrance.
-
- The village is a few minutes walk from the house
Approximately 200 meters from the house there is a public pay and display car park with bays marked out for the disabled.

Main Entrance & Reception

- the front door is usually locked however all rooms have their own

keys for gaining access.

- The front door has one step of 13cm high bringing it level with the hall floor, the width of the step is 82cm and the door is side hung.
- The door is 82cm wide to allow easy access.
- The main hallway length before the stairs begin is 5metres long and 100cm wide. The floor is also level throughout its length. The floor covering is short pile carpet.
- In the hallway are registration forms for visitors to fill in and a pen is on the desk for that use.
- A daytime mobile number to contact the owners is on display in the hallway and also instructions for night time communication if needed.
- There are 2 doors leading from the reception area, one to the breakfast room and the other to the owner's accommodation which is mostly private.
- Located in the main hallway and also the upstairs landing are fire extinguishers and signage appertaining to them.
- All rooms have heat detectors (fire) and in strategic places on the landings are smoke detectors. The rooms have signage instructions for emergency evacuation procedures.

Public Areas - General (Internal)

- the breakfast room is on the ground floor.
- From the ground floor to the first floor where there are 3 of the bedrooms are 12 stairs with a side handrail, the stairs are 18cm high, 10cm deep and 84cm wide, followed by another landing and stairs leading to the second floor bedroom with side handrail also, the stairs are again 18cm high, 10cm deep and 84cm wide.
- Our corridors are tastefully decorated and are well lit.
- the floor covering on all landings and stairs is short pile carpet.
- Dog water bowl and food bowl are available on request.
- There are emergency procedure signs and instructions displayed in the hallway and also in all bedrooms.
- There is a public telephone in the hallway.

Public Areas - WC

- Bedrooms are all en suite therefore no public WC is available

Breakfast Room,

- Breakfast is served in the ground floor breakfast room, there are no steps.
- Furniture is flexible and can be moved around on request to accommodate larger families. The chairs are without arms and the table widths are 92cm with the leg height at 71cm and also under the table to the floor there is 63cm of room.
- Waitress service is provided for breakfast which is full English however other alternatives, vegetarian etc, can be provided on request.
- Short pile carpet on the breakfast room floor.
- The full English breakfast menu is displayed on the table.
- All of our tables have their own toasters to allow the client to have hot toast when required.
- Tea and coffee is plentiful if needed.

Laundry

- Washing and drying in extreme circumstances can be done at the bed and breakfast owners discretion. It is not for general use.

Leisure Facilities

- the bed and breakfast has many brochures on hand for the client to choose from for leisure activities and other activities whilst on holiday.
- Most of the leisure activities have disabled access but not all. We can book tours for you and you will be collected and returned to Dunvegan after your tour by mini bus.
